Subject: Faculty Salary Ceiling for New Fixed Term Appointments

I wish to transmit the 2007-08 salary ceiling for new fixed term appointments. The new rate represents a 5% increase over last years ceiling and is \$183,645. Please note that any proposed fixed term faculty appointment salaries exceeding that amount will require Board of Trustees approval. Please allow extra time for that additional review if your unit is proposing a salary requiring such approval.

This salary ceiling excludes the Schools of Dentistry, Medicine and Public Health who have established rates through use of the AAMC salary surveys. For your reference, the fixed term faculty ceiling and the salary ceilings for both fixed term, tenured, and tenure track appointments in the Schools of Dentistry, Medicine and Public Health are located on the Academic Personnel web site at: <http://hr.unc.edu/EPA/faculty/compensation/faculty-salary-ceilings>.

If you have questions regarding any of these salary limits, please contact Academic Personnel at 962-1091.
