The Added Benefit Insurance Program from General Casualty and The University of North Carolina at Chapel Hill – auto, homeowners, boat and umbrella insurance

What is the Added Benefit Program? The program offers you and any member of your household homeowners, auto, boat and umbrella insurance coverage at competitive rates and with convenient payroll deduction.

Payroll deduction. Payments are automatically deducted from your paycheck, saving you the time and hassle of writing out a check and mailing another bill. Plus, payments are spread out evenly throughout the year, so you'll barely notice the difference.

Great insurance. We're pleased to offer you insurance coverage from General Casualty, a well established regional carrier known for its high quality products and affordable prices. To find out more about General Casualty, go to generalcasualty.com.

For more information and a quote, contact General Casualty at least 90 days before your current auto and homeowners policies expire.
