THE UNIVERSITY OF NORTH CAROLINA
RETIREMENT PLAN ACKNOWLEDGMENT

The University of North Carolina offers two retirement plan options:
- The Optional Retirement Program (ORP) - a defined contribution plan
- North Carolina Teachers’ & State Employees’ Retirement System (TSERS) - a defined benefit plan

Retirement plan participation is mandatory for all eligible employees and the retirement plan election must be made within 60 days from the eligibility date. Failure to make an election within the allotted time frame will result in automatic enrollment in TSERS. **Once you are enrolled in either the ORP or TSERS, your election cannot be changed.**

**Retirement plan contributions begin on the first day of eligibility. A timely election is imperative, as retroactive retirement plan contributions are payroll-deducted in one lump sum.**
