**THIS MONTH'S FEATURED COURSE**

**HR2800**

**Americans with Disabilities Act (ADA)**

This session is designed to provide an overview of the ADA and ADAAA. It will help remove negative stereotypes regarding employees with disabilities, separate ADA myths from facts, and highlight the need for us to appreciate the "ability" in "disability." It will also increase awareness of the University's Reasonable Accommodations in Employment Policy and familiarize employees and supervisors with their responsibilities and available resources.
