MetLife® Group Life Insurance

Features

This insurance offering from your employer and MetLife comes with a variety of added features that can provide assistance to you and your family members today and during a difficult time.

Accelerated Benefits Option¹

For access to funds during a difficult time

You can receive up to 80% of your Supplemental Term Life insurance proceeds to a maximum of \$500,000 in the event that you become terminally ill and are diagnosed with less than 12 months to live. This can go a long way toward helping your family meet medical and other related expenses at this difficult time. The Accelerated Benefit Option is also available to spouses insured under Dependent Life insurance plans. This option is not available for dependent child coverage.

Conversion

For protection after your coverage terminates

You can generally convert your Group Term Life insurance benefits to an **Individual Whole Life** insurance policy if your coverage terminates in whole or in part due to your retirement, termination of employment, or a change in your employee class. Conversion is available on all Group Life insurance coverages.

Waiver of Premiums for Total Disability (Continued Protection)

Offering continued coverage when you need it most

You may be eligible for waiver of your Supplemental Term Life insurance premium until you reach age 65, die or recover from your disability, whichever is sooner, should you become unable to work due to total disability. Total disability or totally disabled means your inability to do your job and any other job for which you are fit by education, training or experience, due to injury or sickness. The total disability must begin before age 60, and your waiver will begin after you have satisfied a 9-month waiting period. The Waiver of Premium will end on the earliest of your turning age 65, death or recovery. Please note that this benefit is available after you have participated in the Supplemental Term Life Plan for one year and it is only available to you. This one-year requirement applies to new participants in the plan.

Portability

So you can keep your coverage even if you leave your current employer

Should you leave The University of North Carolina at Chapel Hill for any reason, and your Supplemental Term Life insurance under this plan terminates, you will have an opportunity to continue group term coverage ("portability") under a different policy, subject to plan design and state availability. Rates will be based on the experience of the ported group and MetLife will bill you directly. Rates may be higher than your current rates. To take advantage of this feature, you must have coverage of at least \$10,000 up to a maximum of \$2,000,000.

Generally, there is no minimum time for you to be covered by the plan before you can take advantage of the portability feature. Please see your plan administrator or certificate for specific details.

Please note that if you experience an event that makes you eligible for portable coverage, please call a MetLife representative at 1-888-252-3607 or contact your plan administrator for more information.

MetLife® Group Life Insurance

Will Preparation Service²

To help ensure your decisions are carried out

Like life insurance, a carefully prepared Will (Simple, Complex or Living) along with a Power of Attorney are important. With a Will, you can define your most important decisions such as who will care for your children or inherit your property.

Living Will:

- Ensures your wishes are carried out, and protects your loved ones from making these very difficult and personal medical decisions by themselves.
- Also called an “advanced directive,” it is a document authorized by statutes in all states. A person appoints someone as his/her proxy or representative to make decisions on maintaining extraordinary life-support if the person should become incapacitated so that he or she is unable to communicate his or her wishes

Power of Attorney:

- Allows you to plan ahead by designating someone you know and trust to act on your behalf in the event of unexpected occurrences or if you become incapacitated. It is a written document that grants an individual the power to act on the grantor's behalf.

By enrolling for Supplemental Term Life coverage, you will have access to Hyatt Legal Plans' network of 12,000 participating attorneys. When you enroll in this plan, you may take advantage face-to-face access to a participating plan attorney to prepare or update a will, living will or powers of attorney.* When you use a participating plan attorney there will be no charge for the services. To obtain the legal plan's toll-free number and your company's group access number, please contact your employer or your plan administrator for this information.

* You also have the flexibility of using an attorney who is not participating in the Hyatt Legal Plans' network and being reimbursed for covered services according to a set fee schedule. In that case you will be responsible for any attorney's fees that exceed the reimbursed amount.

MetLife Estate Resolution Services—ERS³

Personal service and compassion to help your beneficiaries and others manage your estate during their time of need

MetLife Estate Resolution Services—is a valuable service offered under the plan. When your estate representative uses a participating Hyatt Legal plan attorney there will be no charge for the services. A Hyatt Legal Plan attorney will consult face-to-face with your beneficiaries or by telephone regarding the probate process for your estate. The attorney will also handle the probate of your estate for your executor or administrator. This can help alleviate the financial and administrative burden upon your loved ones in their time of need.
