... *ensuring affordable, accessible,
high-quality child care*

March 13, 2023

CCSA: Who are we?

- Child Care Services Association (CCSA) is an independent, nonprofit agency. Our mission is to ensure affordable, accessible, high quality child care for all children and families.
- We have worked toward this mission for more than 45 years in the Triangle.
- CCSA improves the quality of child care in NC by helping families find care, offering informational events for families, professional development opportunities and programs for providers and comprehensive research for policymakers.

Child Care Referral Central (CCRC)

- Referral Hotline: 855-327-5933
- Provides customized child care referrals for all families seeking care for children from birth to age 12
- Information about the NC licensing system, Quality indicators, community resources and financial assistance
- All referral services are Free
- English, Spanish or any language via a interpretation service

UNC Chapel Hill Child Care Scholarship Program

UNC-Chapel Hill University sponsors child care scholarships through Child Care Services Association (CCSA) for full-time students and full time, benefit eligible employees
