

# Child Care Designed for Working Parents

Working parents shouldn't have to choose between child care and early education. **University Child Care Center** offers programs to ensure you don't have to, with convenience for your workday and enriching learning experiences for your child.

## At our center, you'll find:

- ▶ Convenient location and flexible schedules that fit the way University of North Carolina - Chapel Hill employees work
- ▶ Programs for infants – kindergarten prep students
- ▶ A place for socialization – and for kids to be kids
- ▶ Real-time updates – on naps, meals, milestones, and more – from our center to your phone

Choosing a child care and early education center is a big decision, and we want you to feel great about your choice. At **Bright Horizons®**, we build confidence and excitement about learning, with research-based curriculum that meets children where they are, and experienced, loving teachers to guide every age and stage.

## A Bright Horizons early education and preschool experience includes:

- ▶ Curriculum based on research and developed by early education experts
- ▶ Discovery driven learning that encourages questions and inquiries, giving educators the opportunity to guide each child's natural curiosity using our robust curriculum
- ▶ Safety, security, and cleanliness policies that meet or exceed all local, state, and national guidelines
- ▶ Passionate, professional, and certified teachers
- ▶ Resources to support families including webinars, podcasts, learning activities for home, and more
