PLEASE NOTE: The University of North Carolina at Chapel Hill Office of Human Resources (OHR) maintains the Helping Heels Caregiver List as a convenience to University faculty, staff, and students. OHR does not screen the caregivers on this list and makes no representations about their qualifications, conduct, or the services to be provided. OHR cannot recommend one particular party to another, and any employment relationship that results from the use of this list does not involve the University. Users of the list are responsible for performing any screening or evaluation they desire. Caregivers and users of this list acknowledge that the University is not responsible for and will be held harmless against any injury, loss, claim, lawsuit, or other damage arising from or related in any way to the use of this list.
